Attending and participating in Board of Director meetings is critical to the direction of the Chamber of Commerce. Article VI, Section 6 of the Official By-laws says that any board member who shall be absent from three (3) consecutive regular meetings of the Board of Directors shall be automatically dropped from membership of the Board unless confined by illness or otherwise excused by a majority vote of those voting at the meeting thereof. Do you feel like this could be a problem in attendance for you? YES\_\_\_ NO\_\_\_

From time to time, Board of Directors are called into service aside of the regular board meetings, for festivals, ribbon cuttings, retreats, peer-to-peer meetings and important meetings of the community that the Chamber needs to be represented. While you would not be called on for every meeting, can you attend meetings other than regularly scheduled board meetings to represent the Chamber? YES\_\_\_NO\_\_\_
